

Acknowledgement

We would like to convey our heartfelt gratitude to our mentor **Mr. Radheshyam Soni**, for his tremendous support and assistance in the completion of our project

I would also like to thank our Professor-Incharge, **Dr. Shayam Anand Jha**, for providing us with this wonderful opportunity to work on a project with the topic "**Online and Offline Study Of Software Marketing**".

I would like to take this opportunity to express my gratitude to all of my group members. The project would not have been successful without their cooperation and inputs.
